The Big Transition – What’s Next?
Nature, Climate and the Great Wealth Transfer

10 - 14 March 2025 | Freedom Centre | **Jersey** | **Sustainable Finance**

About the Sustainable Finance Summit

2025 marks Jersey’s five-year countdown to its 2030 sustainable finance vision. What’s next for Jersey, both as an Island community and an international finance centre? ‘The Big Transition’ focusses on how finance, sustainability, and social equity intersect in addressing today’s global issues, from the climate emergency to nature and biodiversity and gender equality.

Our special week of events will explore how finance can be a force for positive change, addressing climate and social inequality while creating sustainable investments for the next generation. It’s a call to action for local finance professionals to rethink strategies for the future.

Hosted on-Island and internationally, our summit will engage the finance industry during a week-long series of events including expert panels, volunteering activities, and schools’ competition. The week will culminate in our Sustainable Finance Awards, recognising the finance firms in Jersey who are making an impact globally. This is a unique opportunity to gain insights and help shape a more resilient, equitable, and sustainable future.

About the Women in Leadership Series

Launched in 2018 and growing in size and influence year-on-year, our highly acclaimed Perspectives event series has evolved into a powerhouse platform for outstanding female business leaders to share their insight and expertise with dynamic audiences from across the Gulf region.

Led by An Kelles, Jersey Finance Director - GCC, Perspectives has become a cornerstone event in the regional corporate calendar. As the economic influence of women in the GCC continues to rise, these events serve as a catalyst, tapping into a rich source of inspiration. Female leaders, who play pivotal roles in

advising family businesses and hold positions in top corporate institutions, come together to connect, share and build networks, fostering a supportive community that continues to develop and extend with each event.

In the ever-changing landscape of business adapting to a new generation of millennial colleagues along with regulatory, technological, familial and geopolitical shifts, Perspectives becomes a crucial space for re-evaluating strategies. With events hosted in Riyadh, Doha, and Dubai, we examine key topics from diverse viewpoints, sparking meaningful conversations and facilitating valuable connections.

Jersey Finance Incumbent Sponsor Policy

The Jersey Finance Incumbent Sponsor Policy ensures that current sponsors have the opportunity to renew their sponsorships for the following year before the package/s are made available to other Members. Here’s a breakdown of how the policy works:

- 1. First Refusal for Incumbent Sponsors:**
Current sponsors are given priority to renew the same sponsorship for the next year. These sponsorships are marked as “ON HOLD” while the incumbent sponsors are contacted with a deadline to confirm whether they wish to take the sponsorship again.
- 2. Available Sponsorships After Deadline:**
Once the deadline for incumbent sponsors has passed, any remaining sponsorships are then made available to all Jersey Finance Members and advertised through the weekly Industry Insight Newsletter. [Sign up to receive our newsletter here.](#)
- 3. Annual Changes to Sponsorship Packages:**
Jersey Finance reserves the right to adjust the details, inclusions, and prices of sponsorship packages each year. If there are changes, incumbent sponsors are given first refusal on the nearest available, adjusted package.
- 4. Interest in an “ON HOLD” Package:**
If you are interested in a sponsorship currently marked as “ON HOLD”, you can email eventsponsorship@jerseyfinance.je to register your interest.
- 5. Interest in a “SOLD” Package:**
If a package is marked “SOLD”, it is unavailable for 2025, but you can register your interest for 2026 by emailing eventsponsorship@jerseyfinance.je.

This policy aims to maintain a fair process while giving current supporting sponsors the first opportunity to continue their partnership with Jersey Finance.
